About the Master's Degrees Programs

This program is designed to allow students seeking certification in secondary areas to attain a master's degree concurrently. The degree is not required for certification, and individual requirements for certification may vary based on academic experience. The program must be planned with an adviser to ensure that degree and/or certification requirements are satisfied.

Master of Arts in Education Degree Requirements (M.A.Ed.)

(a minimum of 30 credits)

English Concentration

This program is individualized and planned with the coordinator.

Foundation Courses (6 Education credits)

Concentration Courses (15 English credits)

Electives in Education (9 Education credits)
