If the student does NOT have health insurance, he/she will be automatically enrolled in the University's student health insurance plan. The cost of the insurance premium will be billed to your account. To enroll in or waive the University student health insurance plan, please go to www.firststudent.com , select "Arcadia University" from the drop down menu, click on the "enroll now" or "waive your school's insurance" tab and follow the instructions. If there are any problems with enrollment or the waiver process, please contact the University's student health insurance broker, RCM&D at 1-800-346-4075 ext. 1452 or at www.rcmd.com

Meningitis Vaccine Waiver
Meningitis Statement

Pennsylvania Law #955 was signed into effect July, 2002 requiring all students living in university housing to receive the meningitis vaccine or to sign a waiver of refusal. Arcadia University requires all students under age 25 and not pregnant, to receive the meningitis vaccine or sign a waiver declining the immunization. If you are out of compliance with this requirement, you will be subject to a registration restriction for the next semester and may lose University housing.

__ **DECLINE: I have read and understand the above information about meningitis and the benefits of immunization FOR RESIDENTIAL STUDENTS. I decline the meningitis vaccine at this time. I understand in declining this vaccine, I continue to be at risk for this serious disease. *<u>Incoming students may waive this requirement only if there is a medical contraindication to vaccination or if religious beliefs prohibit immunization</u>*.**
