Notes

Exchange rate of USD 0.86 to NZD 1.00 was used in determining the above estimates.

These estimates are intended to assist students in planning their budget during their study abroad experience. These amounts will vary depending on individual spending habits.

Program Travel

The program fee does not include the cost of traveling to and from the program location. This estimate is based on departing from and returning to the Los Angeles area. Students connecting from other locations need to budget for additional travel costs.
