

Arcadia University
GOLDEN DISC AWARDS NOMINATION BALLOT

The Alumni Association presents two GOLDEN DISC AWARDS each year, provided there are two persons worthy of this distinctive honor. Please submit names commensurate to the highest award given our alumni. To be eligible for either Golden Disc Award, an alumna/us must have attended or graduated ten or more years ago from Arcadia University and must not be the holder of an honorary degree from Arcadia University. The Golden Disc may not be awarded twice to any individual.

There are two categories that are considered. The first is the **Golden Disc Award for Meritorious Service** to Arcadia University, which is given in recognition of outstanding service to the University, exceeding all expectations of a loyal Arcadia alumnus. The recipient will have contributed to the welfare of the University, the welfare of the Alumni Association and the welfare of the Alumni Office.

The other category is the **Golden Disc Award for Distinguished Achievement**, which is presented in recognition of significant service or accomplishment in one's profession, business, community, church or synagogue. Through the recipient's private endeavors, the prestige of Arcadia University has been greatly enhanced.

Please nominate alumni you feel most deserving of this great honor.
