

The REAL Certificate

EDUCATOR LETTER OF RECOMMENDATION FORM FOR

Applicant's name: _____

The above named individual is applying for admission to the REAL Certificate of Arcadia University. This program is designed for students with intellectual and/or developmental disabilities who desire a postsecondary experience on a college campus and require a strong system of supports. These students are highly motivated young adults who have received extensive educational services in high school and would likely have considerable difficulty succeeding in a traditional college degree program. In the program, students audit undergraduate college courses and participate in inclusive vocational and social experiences. Students have the option to live on campus or commute daily.

Students should have a strong desire to become an independent adult and must possess emotional stability and maturity to participate successfully in this program. With the above information in mind, please answer the following questions to the best of your ability and with accurate descriptions of the student's current ability levels. Attach additional pages as needed.
