WELCOME!
This guide will help you navigate through our central employment hub, KnightLink. Through this system, you will be able to keep your profile updated, view and add jobs, participate in our On-Campus Recruiting Program, as well as register for Job/Internship Fairs and other career events.

Registering/Logging in

Step 1: Go to the employer login page: https://www.myinterface.com/arcadia/employer/

Step 2: If you are a registered user, simply type your username and password, then click Login.

If you have never registered, click the “Click here to register!” link. Fill out your profile and click the Register button.

You will receive an email after your registration has been approved. While you are “pending,” you can still post jobs and register for events.

NOTE: If you forgot your password, you can click the “Forgot your password?” link to have it reset and emailed to you. This link is on the Login Page.

Home
After you have logged in, you will be on the Home page. Here you will find 5 useful tools:

Announcements — Important announcements about OCE events, our students, and upcoming events.

Resource Library — You will find this Employer Guide and the Employer Recruiting Policy

Quick Links: Report a Hire— Let us know if you hired one of our students by clicking this link

My Task List— This list will show all of your pending tasks, including new resume referrals/submissions and (you will also be notified via email when a student applies to one of your job postings).

Calendar — You will see jobs that are expiring for your company, upcoming Interviews and info sessions for your company, and any upcoming career events.

My Profile
Choose this menu option to update your contact information (password, phone #, email, etc).

NOTE: Under the Employer profile, you can opt into the Employer Directory. You can choose to have just your Company displayed or also your contact information. This will be available to students.

What do the Job statuses mean?
- Pending: All new jobs and edited jobs will be marked with this status.
- Active: After a job is approved by our office, we will assign your job this status.
- Closed by Employer: This is the status assigned when you close the job.
- Inactive: When a job expires, it will be assigned this status.

NOTE: You can close this job, by opening it and clicking [Close Job] at the top.

How do I create or view job Placements or resume Referrals?
Choose My Jobs and next to each job you will find the Activity column.
- R is for Referrals — Click the R to view students that have applied/submitted their resume.
- P is for Placements — Click the P to view job Placements of previously hired students. See the following section below for directions on how to “Report a Hire.”

JOB FAQs:
When will my job post to students?
Once your job is accepted by our office, we will change the status to Active and it will post on the Post Date listed. If the Post Date has passed, then it posts as soon as we accept it.

When will my job expire to students?
When the expiration date is reached. You may edit this date if you want your job posted online for a longer period of time.

Will I get an email the day before my job expires?
Yes, it will be emailed to the email address listed in your profile, under My Profile.

How do I close a job before the Expiration date?
Click on your job to view the details. At the top of the job you will see [Close Job]. Click on that link to close your job. The status will change to “Closed By Employer” and it will no longer be available to students. (Don’t forget to create a placement if you hired one of our students!)

How do I re-post a job?
You can copy your job into a new job record by clicking on Copy Job under the page functions (left-hand side of the page) when viewing the job profile. This is recommended if you are re-posting a job that was linked to an interview schedule.

I’m filling out a job for the first—time. What are these fields?
Show Contact Info—
- Choose Yes to show your contact info section.
- Choose No to not show it.

Allow Online Referrals —
- Choose Yes to allow students to submit their resume through the system. You will receive an email as the students apply.
- Choose No if you prefer to receive resumes or student contact outside of the system (be sure to fill out the Application Instructions field, so that students know how to apply).

Email Employer with each Resume Submission —
- Choose Yes and the system will email you as soon as an applicant submits their resume.
- Choose No and the system will NOT email you. You will need to login to view any resume submissions. To do so, follow these steps:

Should I report a hire?
Yes! You should always report the hire of a student. Each reported hire helps in our office’s endeavor to maintain accurate placement statistics. These statistics allow us to better serve both you and our students!

How do I report a hire (Placement)?
STEP ONE: To report a hire, click on the “Report a Hire” link located on your Home page (left-hand side of the page).
**STEP TWO:** Search for the student you hired. Then, click “Select Student” next to his/her name.

**STEP THREE:** Select the job/position for which this student was hired.

**How do I request a new schedule for On-Campus Interviews?**

Select New Schedule Request (under the My Interview Schedules menu option).

1. On Step 1, select your schedule type and preferred interview date.
2. On Step 2, select or add the job that you want to interview for and select the documents that you want to receive from students.
3. On Step 3, review your information and submit your request.
4. If you choose YES to the Need Info Session field on step 1, you will be taken directly to the info session request wizard (see instructions on page 4).

Our office will call or email you to confirm your preferred interview schedule date. If you need to change the date or other preferences at a later time, please call our office.

**How do I print a Resume Packet for students I am interviewing?**

- **Preselect Packet:** You can print the list of students and resumes that have dropped their resume to your OCR Schedule. To do so, follow these steps:
  1. Go to your Schedules List (by clicking on the OCR Schedule menu option) and then click on the desired OCR Schedule (you can click on the Schedule ID or job title).
  2. Scroll down to the bottom and you will find the “Preselect Activity” section. Click “Manage List” in the upper right corner.
  3. Click the SELECT ALL button and then click the CREATE PACKET button to view all resumes.

- **Interview Packet:** You can print all students that are signed up for your OCR Schedule. To do so, follow these steps:
  1. Go to your Schedules List (by clicking on the OCR Schedule menu option) and then click on the desired OCR Schedule (you can click on the Schedule ID or job title).
  2. Scroll down to the bottom and you will find the “Sessions” section. Click on the desired Interview Date (there might be several dates listed, if you will be using multiple interview rooms).
  3. Click the SELECT ALL button and then click the CREATE PACKET button to view all resumes.
Career Events

Choose this menu option Career Events (at the top of the page) to search and register for upcoming OCE events including:

- Career Fairs
- Employer On-Campus Events
- Networking Events

Resume Packets

How do I collect a resume packet to review students I may be interested in?

Click on Student Search at the top of the page

1. Filter students by major (Field/Industry Preference), Expected Graduation, Majors, Degree Seeking or Attained and/or Work Authorization
2. Click "Search" at the bottom of the page
3. Click on the box to the left of the student’s name to select a student. Once you have selected the students you are interested in, click on "Create Packet." Please note: If you would like to email yourself the Resume Packet, click on the box that says "check to email packet to self."
