CHAIR’S REPORT

By Margaret W. Steele ’80, Chair of the Board of Trustees

Thank you! More than 5,200 alumni, faculty, staff, students, Trustees, parents, and friends joined to make history for Arcadia University. We ended the 2010-11 academic year with many exclamation points: our 155th Commencement and one of the largest in the history of Beaver College and Arcadia University, the announcement of our new President, and the successful close of our capital campaign!

At Home & In the World—The Campaign for Arcadia University was an overwhelming success. It was the largest Campaign in the University’s history, and already we see the immediate fruits of these investments as Haber Green is open for student life in the center of campus and the University Commons is near completion. We have 39 newly endowed scholarships to help academically gifted students achieve their potential. All told, we raised more than $30 million—well beyond our $23.5 million goal.

Arcadia’s Twentieth President, Carl (Tobey) Oxholm III, has wasted no time in setting the University’s sights on climbing to a new level. Engaged immediately after the Board of Trustees announced its decision in May, he quickly began talking about the future and, in particular, the year 2022 when we will celebrate the 150th anniversary of this institution attaining “college” status as Beaver College and Musical Institute (1872). “What will Arcadia be in 2022? For what will we be known? How will our currently unrivaled overseas network have evolved? How will we have capitalized upon our enormous assets and international reputation?” Your contributions this past year have allowed us to start dreaming these dreams.

Our alumni form the strong foundation for this University’s success, both past and future. I am proud to be an alumna of Beaver College and proud to be the Chair of the Arcadia University Board of Trustees. I am especially proud of the work accomplished over the past year empowering our alumni to engage with this institution in new ways. In the Alumni Annual Report at the end of this booklet, you will find a list of new chapters and clubs—along with an open invitation to alumni. Those, and those to be formed, can count on close, personal contact with President Oxholm as he has repeatedly announced that “Arcadia will reach its enormous potential only with the help of its alumni/ae.”

I can attest that there is true excitement here on campus. Please know just how important you have been and are to the creation of that spirit of exploration, wonder, and personal development. As with Beaver, Arcadia remains a place of life-changing experiences. Of that, and our success last year, we can all be very proud.

By Nick Costa, Vice President for University Advancement

One of the measures of a great university is the success of its alumni as well as their commitment to helping today's students succeed. At Home & In the World—The Campaign for Arcadia University demonstrated just that. Under the leadership of Campaign Co-Chairs Rosemary Deniken Blankley '57, '06H, Thomas J. Reilly Jr., Margaret Wright Steele '80, and Madeline Johnson Stein '68, this historic Campaign exceeded its $23.5 million goal by topping $30 million.

The Campaign priorities focused on enriching student learning and life so students can excel in a rapidly changing world; renewing the beauty and elegance of our campus as an ideal learning environment; and ensuring future opportunities for faculty and students to contribute to the world in notable ways.

Funding for the new Arcadia University Commons student center was a major focus of the campus priorities; the student center opens in late fall with a public celebration and dedication planned for Jan. 23, 2012. Nearly $11 million was raised toward the University’s capital needs. The new facility will be the hub of student activity, linking the Kuch Athletic and Recreation Center to student lounges, a café, a 500-seat Great Room, gallery space, and more.

Particularly inspiring was the response of Trustees, Alumni, Faculty, Staff, and Friends to increase the scholarship endowment. With 39 new endowed scholarships established, we have taken a positive step forward in meeting the cost of education for future students. Several of these stories are told throughout the Campaign section of this report.

The honor roll beginning on the next page recognizes those who made gifts and pledges to At Home & In the World—The Campaign for Arcadia University between July 1, 2007, through the close of the Campaign on June 30, 2011. With your gifts, you allow our students “to fulfill their potential and dreams.” You have made a significant difference and you are important and essential for our success. The students—and the entire University community—thank you.

The Charles E. Moulton Mathematics Scholarship was established to honor a beloved faculty member who taught here for 26 years. The scholarship was endowed by Linda Moulton, Charles’ wife, and their sons Charles Jr. and Edward, with additional funding from former students in the Class of 1971. “Dr. Moulton was quite simply the greatest teacher that I ever had in over 20 years of taking classes,” says Linda Collins ’71. “He was the perfect person to help us make the journey from childhood to adulthood, and he kept in touch with us through our lives.”

Dr. Moulton is pictured to the left with a group of his students in the 1980s.

With parents Avis and Manny Rodriguez (pictured left with family members) lending enthusiastic support, the Arcadia community established the Jami Rodriguez Memorial Scholarship. The scholarship serves as a testament to Jami Rodriguez ’00 and her commitment to student life and the community. As a student, Jami loved Arcadia’s small campus and community atmosphere, becoming involved in many student clubs and serving as a campus tour guide, orientation leader and member of the Orientation Planning Executive Committee (OPEC). The scholarship helps students who, like Jami, make a difference during their time at Arcadia. Additional gifts have been received recently in memory of Manny, who passed away in September.

SPECIAL GIVING – THE CAMPAIGN
In a creative approach to Reunion giving, class members came together to give $40,000 to establish the Class of 1968 Endowed Scholarship to commemorate their 40th Reunion year with additional support to the Annual Fund. The Class hopes this scholarship enables more students to have the opportunity to attend a university with a warm and nurturing environment and to have the same great opportunities they had when they attended Beaver College.
One of the many facility improvements during the Campaign was the start of the Oak Summit Apartments parking deck. Thanks to the leadership of State Senator LeAnna M. Washington, Arcadia began this project in 2009. The funding for this project included $1.5 million in Redevelopment Assistance Capital Program (RACP) grants from the Commonwealth of Pennsylvania. RACP is a Commonwealth grant program administered by the Governor’s Office of the Budget for the acquisition and construction of regional economic, cultural, civic, and historical improvement projects. The deck will offer a more environmentally friendly approach to solving parking issues as it helps the University to preserve green space in the community by reducing the amount of surface paving that otherwise would be needed.

ANNUAL REPORT  | 14

SPECIAL GIVING – THE CAMPAIGN 2011
Grey Towers Castle, a National Historic Landmark, is often cited by alumni as one of the most vivid memories of their Beaver College or Arcadia University educations. Thanks to efforts during the Campaign, the original Dining Room on the main level was restored. Work included removal of fluorescent lighting, revealing hidden accent lights, painting and highlighting the ornate ceiling to recreate its original look, and restoration work on the hand-carved wood paneling and fireplace. Architectural elements of the Castle’s main floor were inspired by features of several European castles, and the Castle is credited as having the largest collection of Baumgarten tapestries still displayed in their original location. The University is seeking to restore other Castle rooms including the metal-and-glass Conservatory on the south terrace.

*SPECIAL GIVING – THE CAMPAIGN
ANNUAL REPORT

2011
The new Commons is designed to be a living room for the campus, a gathering place, and a dynamic, transparent, and welcoming space that facilitates informal interaction and provides a variety of experiences. One of those spaces is the **Fireplace Lounge**, a room dedicated by Arcadia alumna and Trustee Madeline Johnson Stein ’68 and her husband, Isaac Stein ’11H. Located on the first floor of the student center, the room is connected to a number of open lounge areas and is on the same level as the café and cross-over entrance into the Kuch Athletic and Recreation Center.

Class Reunions have played a big part in raising support for many facility enhancement features. The Class of 1960 worked together to raise $100,000 as part of its 50th Reunion to fund the Bridge that will connect the Commons to the walkway up to the Castle. Included in the design is a seating area and steps down to the new Haber Green. Through the generosity of Lois E. Haber and her husband, Michael Haber, the Haber Green is dedicated in honor of the Class of 1971.
Two of the four technologically advanced Smart Classrooms in the new Easton Hall academic building have been dedicated in honor of the Classes of 1958 and 1959. Members generously increased their Annual Fund gifts to celebrate their respective 50-year Reunions. Smart Classrooms provide permanently mounted data projectors, PCs, VCRs and DVDs, and an interactive pen display system that allows for the saving and posting of whiteboard notes and annotations. The general sentiment expressed by classmates was, “The University did a lot for me and gave me a tremendous start in life. I would like to help other students have a great beginning.”

Several alumni have used the Campaign to recognize others who contributed to their educations. Bernice M. Wenzel ’42, ’10H dedicated a Water Feature Lounge in Easton Hall (pictured left) “in grateful remembrance of all my excellent professors at Beaver College, and especially Dr. Lois Adams, who realized before I did what I was destined for and skillfully laid the way for me.” Walter Weber ’91 recognized Westinghouse Electric Corporation for making his continuing education possible by dedicating a Seminar Room in the company’s honor.

WAYS TO GIVE

Stock that has appreciated in value and is owned more than a year offers the tax benefit of avoiding capital gains tax on the appreciation and may qualify for an income tax charitable deduction.

A donor-advised fund allows you to recommend annual grants to benefit Arcadia. Many fund administrators allow you to sign a letter of intent expressing your interest in supporting the University for more than one year.

A charitable gift annuity allows you to make a gift that pays income for life to one or two individuals. Payments are fixed and can be deposited directly to your checking account. A minimum gift of $10,000 is required, and annuitant(s) must be age 60 or older.

An IRA Charitable Rollover up to $100,000 (for individuals age 70½ or older) may provide a tax advantage if you do not need the income for the required minimum distribution in 2011.

At Arcadia University, Covenant Society members have made planned gifts that help to secure the future of the University and enable the University to meet its goal of preparing new generations of students. Covenant Society membership is available to individuals who have named Arcadia University as a beneficiary of a charitable bequest, retirement plan, or life insurance policy; established a life income gift, such as a charitable gift annuity or trust; or provided another planned gift to benefit the University. Covenant Society members are honored each year at an event hosted by the President and receive special updates during the year.

This honor roll recognizes those who have informed the University of their planned gifts through June 2011.

WAYS TO GIVE

A charitable bequest allows you to continue your support of Arcadia and benefit generations of students to come through an unrestricted gift or by establishing a named endowment for scholarships and other purposes.

A charitable remainder trust can be established to meet specific income and investment needs (minimum gift of $100,000 required) for a term of years (up to 20) for up to two individuals for their lifetimes and can be funded with cash or appreciated securities.

A gift of a life insurance policy with a cash value, real estate and other assets may make a gift of a residence and can be funded with cash or appreciated securities.

A gift of a life insurance policy with a cash value, real estate and other assets may be given to the University. You also can make a gift of a residence and can be funded with cash or appreciated securities.

A gift of a life insurance policy with a cash value, real estate and other assets may be given to the University. You also may make a gift of a residence and continue to live in it.

Arcadia University has established three societies to recognize donors who have demonstrated leadership through their lifetime giving, including outright gifts, pledges and planned gift intentions for all restricted and unrestricted purposes. The societies are named for three of our institution’s most distinguished presidents: the Reverend Dr. Raymon M. Kistler (President, 1940-60), who worked tirelessly to bring stability through the financial turmoil of World War II; Dr. Edward D. Gates (President, 1960-82), who led the consolidation on the Glenside campus; and Dr. Bette E. Landman (President, 1985-2004), whose vision and plan brought the College to University status. Giving levels reflect gifts made through June 30, 2011.

2011 ANNUAL FUND AWARDS

The 2011 Annual Fund Awards were presented during the Alumni Leadership Summit on October 15, 2011. These awards honor those undergraduate classes whose generous support of Arcadia University was unsurpassed in the fiscal year:

- **The Martha-Lee Taggart Sunderman Award** for the Highest Percentage of Participation: Class of 1955 (Elsa-Lu Greenblatt Berkowitz, Fund Agent)
- The Award for the **Largest Gift Amount**: Class of 1971 (Elsa Larsen Vernon, Fund Agent)
- The Award for the **Largest Gift Increase**: Class of 1962 (Susan Osman Pascucci, Fund Agent)
- **The Harry G. Kuch Award** for the class from the last decade with the Highest Percentage of Participation: Class of 2006 (Meghaan Figgs Carter, Jessica Hoos Luteran, Fund Agents)

Every Annual Fund gift goes to work immediately by helping to support student scholarships, faculty development, academic programs and facility improvements. The Alumni Fund supports the Beaver College of Undergraduate Studies, and the Graduate Alumni Fund supports Graduate Studies.

Knight Society members, recognized with a +, are loyal alumni contributors who have given three or more consecutive years. Individuals who give $1,000 or more annually also are listed in the President’s Circle.

This honor roll recognizes those who made cash gifts and matching gifts received between July 1, 2010, and June 30, 2011. Throughout the listing of donors, we’ve highlighted just a few of the ways the Annual Fund makes a difference in the lives of Arcadia’s students, both in and out of the classroom.

It is with great appreciation that Rosemary Deniken Blankley ’57, ’06H is congratulated on the success of the 2011 Annual Fund. Under her skilled leadership as National Chair of the Annual Fund, goals were met and new initiatives developed. Her dedication and commitment to Arcadia are an inspiration to all.

Arcadia’s Annual Fund provides the funds that have a direct impact each year on our students, faculty and campus community. Gifts of all sizes, when added together, help to support the University’s highest priorities and most important initiatives.
INTERNATIONAL EXPERIENCES
First-year students were offered an expanded menu of opportunities with Preview 2011. For nominal fees, the traditional non-credit experience in London was offered along with nine 2-credit course options. Travel locations over spring break included England, Scotland, Ireland, Spain, Mexico, France and New Zealand. Arcadia continues to offer multiple opportunities for students to explore the world.

KNIGHT SOCIETY

The Knight Society honors Arcadia undergraduate and graduate alumni who consistently and loyally have given gifts, of any size, to the University. This Society is a special way to encourage recent graduates to embark on a tradition of annual giving and also is a wonderful opportunity to honor Arcadia’s most loyal alumni. In fiscal year 2011-12, members will include those donors who have made gifts for four consecutive years.

An annual “Knight Out” reception is held during Alumni Homecoming at Fall Fest to honor all members of the Knight Society. In addition, members’ names have a special notation in this yearly Annual Report on Giving.

KNIGHT SOCIETY

The Knight Society honors Arcadia undergraduate and graduate alumni who consistently and loyally have given gifts, of any size, to the University. This Society is a special way to encourage recent graduates to embark on a tradition of annual giving and also is a wonderful opportunity to honor Arcadia’s most loyal alumni. In fiscal year 2011-12, members will include those donors who have made gifts for four consecutive years.

An annual “Knight Out” reception is held during Alumni Homecoming at Fall Fest to honor all members of the Knight Society. In addition, members’ names have a special notation in this yearly Annual Report on Giving.

CREATIVE OPPORTUNITIES
Arcadia University’s award-winning Theater Arts program (a production of *Julius Caesar* pictured left) took 32 students to the Region II Kennedy Center American College Theater Festival at Towson University in Towson, Md. Twelve of the 32 students were nominated for their performances. Each student worked with a partner to compete to represent the region at the National Kennedy Center American College Theater Festival in Washington, D.C. Students also attended a performance of *Let Me Down Easy* by alumna Anna Deavere Smith ’71 and met the actress at a special reception.
WAYS TO GIVE

A matching gift increases the value of your gift at no additional cost to you, allowing you to double or triple the impact of your gift. Use our online search program to see if your gift to Arcadia is eligible. (www.matchinggifts.com/arcadia)

A pledge is an ideal way to honor a special Reunion year. The University accepts pledges for up to five years and sends reminder notices on the schedule you request.

A secure online gift or pledge can be completed by visiting www.arcadia.edu/gift using your Visa, MasterCard or Discover Card. You will receive a confirmation via e-mail and a receipt, mailed separately.

Electronic Funds Transfer (EFT) is a giving program that allows donors to make their gift to Arcadia in regular, automatic monthly installments from a checking or savings account or credit card.

A gift of cash or check can be put to immediate use by the University through the Annual Fund.

For more specific details or assistance with any gift, please call University Advancement at 215-572-2945 or e-mail advancement@arcadia.edu.

FACTORIES

New gardens and “green spaces” have been popping up all over campus. More than 12,000 plants were added to campus in the past year, most of them perennials that will keep the grounds in bloom and green year after year. Students, and the campus community, enjoy these green areas during the changing seasons.

STUDENT-FACULTY RESEARCH

Several students have paired with Biology faculty to research ecology and the disturbance history of pine forests in northeastern West Virginia. The study is conducted in collaboration with the West Virginia Division of Natural Resources, the Nature Conservancy of West Virginia, and the U.S. Forest Service. Faculty research examining the historical frequency and spatial distribution of fire in these regional pine forests, and the way in which fires influenced the present species composition of these forests, created opportunities for self-contained mini-projects that became mentored research projects for undergraduate students.

ANNUAL REPORT  |  46
CLASS CHALLENGES

Reunion classes are celebrating their special years in many meaningful ways. For Reunion 2011, several classes chose to work toward leaving a lasting legacy on campus with special fundraising efforts. These classes will have tribute plaques installed in areas of the Commons that will honor their efforts to give back to their alma mater.

Members from the 50th Reunion Class of 1961 and the 55th Reunion Class of 1956 both expanded their goals to dedicate Student Lounge areas. The Class of 1951 chose to name a Student Activities Meeting Room for its 60th Reunion. The Grand Entrance of the Commons is dedicated by the Class of 1971 in celebration of its 40th Reunion.

Class members and Reunion Officers worked throughout the year to reach out to their classmates to encourage generous gifts, multi-year pledges, and planned gifts such as bequest intentions and charitable gift annuity funding, which pay income for life. Not only were expanded fundraising goals met, but classmates also reconnected personally prior to Reunion by working together toward a common goal.

HANDS-ON LEARNING

Programs have been developed by the International Peace and Conflict Resolution faculty to extend the classroom to Costa Rica. Each spring, students and faculty investigate the conflict surrounding the building of the Boruca Hydroelectric Dam. Although the dam will increase power to the region, its construction threatens the indigenous population and ecosystem. Before traveling to Costa Rica, students spend class time evaluating the project and its conflicts. Once there, they are able to participate in hands-on activities and presentations.

CAMPAUS ACTIVITIES

With the addition of the Dome, an inflatable 18,406 square-foot facility located on the Weiss Tennis Courts by the Pavilion, intramural sports and activities are not dictated by the weather. The multi-purpose, heated facility with indoor sports turf allows for additional intramural soccer games, indoor lacrosse, and field hockey through the winter. In addition, the Dome has been a popular site for dances, movies and pickup games of Frisbee.
The following 2011 graduating seniors were honored by their families with special tribute gifts to Arcadia University:

INCREASING ALUMNI ENGAGEMENT

What are the hallmarks of engaged alumni? Engaged alumni stay informed about Arcadia, participate in the life of the University, attend University events, show pride in their alma mater, and give a monetary gift. Over the last two years, the President’s Task Force and Implementation Committee have led the Alumni Association in an effort to redefine its mission and purpose. The outcome is an Association that has expanded entry points for increased alumni engagement, revised Bylaws and Constitution to support this expanded organizational structure, and a prioritized list of ten recommendations.

TEN RECOMMENDATIONS TO INCREASE ALUMNI ENGAGEMENT

The Office of Alumni Relations has been charged with the implementation of Ten Recommendations over five years, per the President’s Task Force on Alumni Relations. The top three recommendations began in the spring and are well under way:

1. Strengthen and Expand Alumni Units of Organization
2. Focus on Young Alumni and Current Students
3. Enhance Alumni Programming

STRENGTHEN AND EXPAND ALUMNI UNITS OF ORGANIZATION

Alumni units of organization are housed in the Alumni Association. The new Bylaws and Constitution reflect an expanded organizational structure, giving specific guidelines on forming new chapters and clubs, defining an Alumni Council, identifying new committees for increased alumni engagement, and detailing Alumni Association Board duties and terms of office. Working with the Alumni Association, the Office of Alumni Relations is promoting alumni engagement through these expanded units of organization.

FOCUS ON YOUNG ALUMNI AND CURRENT STUDENTS

To support our growing and diverse constituency of young alumni, an Assistant Director for Young Alumni and Students was added to the Alumni Relations staff to engage young alumni and to connect with current students the moment they step foot on campus. Building relationships with students helps them make a smooth transition to alumni status. Young alumni want to stay connected to their campus experience. Promoting programs that connect students to alumni through social and networking opportunities, planning joint community service projects, and asking alumni to be mentors for current students are valuable ways for young alumni to stay actively engaged with their Arcadia family.

To provide opportunities to build relationships with students and connect students with alumni, Alumni Relations programming includes:

• Collaboration with Student Affairs staff to identify ways we can build school spirit and alumni identity.
• Participation in New Student Orientation.
• Formation of Young Alumni Chapters in Philadelphia and other regional areas.
• Working with the Annual Fund and Senior Class Challenge to build a culture of philanthropy.

ENHANCED ALUMNI PROGRAMMING

Over this past year and looking forward, efforts continue to integrate and collaborate...
A special note of thanks to the 2009-2011 Alumni Board members who served out their terms and retired in June. Their commitment to do what was best for the alumni they served, their thoughtful questions and suggestions that led to a revised set of Bylaws and Constitution that will move the Association to a higher level of engagement, and their leadership throughout the entire process was remarkable and notable.

with other University departments and faculty to increase alumni engagement.

• Working with the Office of Career Development, the Office of Alumni Relations offered a series of career workshops and career mentoring for alumni. On October 13, 2010, we offered a workshop, “Building Professional Relationships with LinkedIn” and on February 10, “For Women in the Workplace: Tips for Putting Your Best Self Forward.”

• Reaching out to students, we co-sponsored a program, “Professional Networking 101” and invited networking expert Gail Madison ’72 to guide students through the “dos and don’ts” of professional networking and illustrate effective networking strategies. During a speed networking session, alumni acted as hiring managers to help students practice their networking skills and expand their professional networks.

• Alumni enjoyed a taste of what students experience in a typical First-Year Seminar course through a one-night offering, “Explore the Galaxy of Contemporary Science Fiction” with William Meiers ’93M, ’96M, Associate Dean of Arcadia’s Honors Program. Participants explored the “galaxy” of contemporary science fiction by watching and discussing recent television shows and movies.

• In March, alumni enjoyed a taste of another kind, “An Evening of Chocolate and Wine” with chocolatier Tom Sciascia ’86 and sommelier Cosmo Mullen, who delighted participants’ taste buds and enlightened their minds with a foray into the art of pairing chocolate with wine.

• Dr. Richard Wertime, Professor of English and Director of Graduate Studies in English and the Humanities, met alumni at one of his favorite haunts, Baldwin’s Book Barn in West Chester.
He shared his love of literature with alumni who enjoyed exploring the historic five-story barn filled with stacks of maps, prints, best-selling books, rare books, and antiquarian treasures.

• Partnering with the Athletics Department, eight outstanding alumni athletes were inducted into the Athletics Hall of Fame during Homecoming at Fall Fest Weekend. The 2010 Inductees are Julie Craig Baldwin ’59, Kimberly Ann Kelly Barth ’97, David M. Coupe, Jr. ’95, Betty Jean Duffy ’63, Marlene Lochner Emerich ’55, Maxine Swift Friend ’58, Diane Duffy Hoch ’66 and Len C. Parker ’81.

MANY WAYS TO GET INVOLVED
As we continue to increase alumni engagement, the University is indebted to the many volunteer leaders who have led the way - Alumni Association Board and Committee members, and a cadre of more than 100 class officers and chapter and club chairs. Alumni are stepping up to meet the challenge to become the energy that shapes the future of Arcadia and the Alumni Association. We applaud their efforts and encourage you to become actively involved.

Getting Together: In Florida
Florida alumni enjoy meeting together and hearing news of the campus. Past President Jerry Greiner shared academic updates while Tom Macchi, AVP of Facilities and Capital Planning, shared construction “before and after” pictures and stories with alumni. Reunions took place in early February in Naples, Sarasota, Orlando, and Delray. Pictured above are alumni gathered at the Orlando Reunion: Meg Corcoran ’06, Inez Graham Nichols ’81M, Joann Brayton Jacobs ’68.
Chuck Lentz ’03M and Donna Segner Levan ’93, ’95M, ’03D.P.T. present a framed citation to Karen Rossi Brager ’91 (right) on the occasion of her retirement as President of the Arcadia University Alumni Association at the Reunion Awards Presentation on Saturday evening, June 4. A flowering Dogwood was planted next to Blankley Alumni House in honor of her exemplary service as President of the Arcadia University Alumni Association, 2007 to 2011.

A portion of her citation reads, “As Editor, she connected with her classmates through Class Notes, keeping them engaged with each other and informed about the University. One of her most notable successes was the formation of GOLD—Graduates of the Last Decade—a program she co-founded in 1992 with classmate Ozzie Berger and Linda Vandegrift, Class of 1990. She recognized the need to reach out to young alumni and offer ways for them to reconnect and get involved. Their first event was a Sunday afternoon gathering to watch a football game; their next event was a dance that, she recalls, was ‘not so good.’ And then finally, the magic happened. They conceived of and implemented the first Grilled GOLD picnic at Reunion, which featured music, games and the endearing tradition, Diaper Derby, a tough competition for the youngest family members. The Grilled GOLD picnic has taken place at Reunion for 19 years and is now transforming into the Young Alumni Picnic. For her vision and service to young alumni and their families, Karen was awarded the Golden Disc for Meritorious Service in 2001.

“Karen has made significant contributions to alumni through her dedicated service as a volunteer in the Alumni Association. After serving on various Association committees, she became Second Vice President of the Alumni Association Board of Directors in 2003; Vice President in 2005; and then President, serving two terms from 2007 to the present. As President, Karen provided leadership for nine Board committees, served ex-officio on the Board of Trustees, and was a member of the University Advancement Campaign Steering Committee.”

**HOW TO GET INVOLVED**

Will you consider forming a chapter or joining one? Will you take time to become a student mentor? A career mentor? To become a class officer? To sit on an advisory committee?

For information about how to get involved, please contact the Office of Alumni Relations at 215-572-2160, alumni@arcadia.edu, or visit www.arcadia.edu/alumni. We welcome your active participation in the life of the University.

The door at Blankley Alumni House is always open!

**Arcadian Adventure**

Alumni go to a Phillies Game (The Greskiewicz family – Corinne Royer ’02 and Jon ’99 with Cali and Noah) to cheer the home team.

**Arcadian Adventure**

Led by Cheryl Wilks-Scherbner ’78, alumni and their families create critters out of seeds, pods, twigs, leaves and other bits and pieces supplied by Mother Nature.
CHAPTERS AND CLUBS
Essential to the growth of alumni engagement are the formation of chapters and clubs. Alumni form chapters because they want to be engaged with the University and remain a vital part of its future. They enjoy meeting other Arcadia alumni who live or work in their communities, and they take pleasure in sharing their Beaver and Arcadia traditions. Chapters and clubs are designed to reconnect those with shared Arcadia experiences so they may network, socialize and support their alma mater. Chapters provide a platform for the University staff and faculty to meet with alumni and keep them informed about academic programs, campus building, capital planning and University vision.

By June 2011, the following chapters and clubs were identified.

Philadelphia Regional Chapters
• Montgomery-Bucks Scholarship Club: Joan Levy Bachman ’53
• Delaware Valley Chapter: Jean Stahl Noble ’47
• Norristown Chapter: Marjorie Welde Parsons ’48
• Young Alumni Philadelphia Chapter: Amber LaJeunesse ’06, Meghan Makar ’07, Grace Wainwright ’10

• Orlando Alumni Chapter: Megan Corcoran ’06, Ami Moore-Condello ’84, Kristen Weissman ’98

Washington State Regional Chapter

• Physical Therapy Alumni Association: Christopher Kauffman ’99MSPT
• Physician Assistants: Donna Agnew ’99MSPAS, PA-C
• QUAD A (Arcadia University Athletic Alumni Association): Marty Palmer ’86, ’96M

Arcadia University and its treasure of alumni and friends mutually benefit from the formation of chapters and clubs. Alumni and friends connect socially and/or academically beyond the confines of the campus footprint, and the University benefits by having an engaged and loyal constituency.

To join a chapter or club, contact the Office of Alumni Relations at 215-572-2160 or alumni@arcadia.edu or visit www.arcadia.edu/alumni.

THE ALUMNI FUND WALK OF PRIDE

The Alumni Fund Walk of Pride was dedicated in 1997 and winds through the heart of Arcadia’s Glenside campus. It offers a unique opportunity for both current students and loyal alumni to show their Arcadian pride by having their names inscribed on the Walk of Pride forever.
