**Note:** When you click the link above, you'll be entered into a "Waiting Room." Please wait for the consultant to admit you! If you aren't admitted within 5-10 minutes, your consultant is likely working with another client. Please send the Writing Center an email requesting an appointment, and we'll respond as soon as we can.

Anything longer than 10 pages would be accepted for a drop-in appointment only at the discretion of the consultant.

Click this link to "drop-in" and see if a consultant can help you. If consultants have appointments below, or if they're already working with another drop-in client, they may not be able to hold a drop-in session with you. You can always send an email to schedule a session, or schedule for the next available time.
