Dear Arcadia Community,

To all new and returning students, faculty, staff, families, and visitors of Arcadia University—welcome! It is the goal of Arcadia University Public Safety Department, in partnership with you, to make your experience at the University a positive one. Arcadia Public Safety strives to provide a safe and healthy environment through quality security services and community problem-solving partnerships.

We take your safety very seriously, and we want you to do the same. Arcadia University is committed to preventing issues such as sexual assault, bullying, and the dangers of excessive alcohol consumption from interfering with your educational experience. Your safety is, and always will be, our department's greatest concern. We want you to know that we are always available to you, and we encourage you to contact us for any reason at any time. As a member of our campus community, we remind you that it is your responsibility to familiarize yourself with the University's rules and regulations.

Public Safety Officers work 24 hours a day, seven days a week, 365 days a year. We are located in Dilworth Hall, on the first floor. Our officers conduct foot, bike, and vehicle patrols, respond to reports of crimes, and provide information and resources to the community.

As director of this great organization, I deeply appreciate the support and confidence that has been extended to me
by the president, vice presidents, and all members of the Arcadia University community. My goal is to assemble a strong team of officers that complement the University’s culture and to do everything in our power to make the campus a place in which you can comfortably and safely live, work, and learn.

Recognizing the department’s motto, “Securing the Future, What Matters Most!”, we ask that you join our efforts in keeping Arcadia University safe.

Sincerely,

Ruth A. Evans
Director of Public Safety
