III. POLICY

Arcadia University (the "University") prohibits all persons who enter any University Property from carrying a handgun, firearm, or prohibited Weapon of any kind onto any University Property, regardless of whether or not the person is licensed to carry the Weapon. The only exception will be on-duty law enforcement officers, or other similar persons who have been given written consent by the University to carry a Weapon on University Property. Employees may not carry any Weapon covered by this Policy while performing any task on the University's behalf. The only exception will be persons who have been given written consent by the University to carry a Weapon while performing specific law enforcement- or security-related tasks on behalf of the University when off campus.
This Policy also prohibits Weapons at any University-sponsored event or function, such as meetings, conferences, parties, or picnics, regardless of whether or not the facility where such events are held has a different weapons policy.

Failure to abide by all terms and conditions of this Policy may result in discipline up to and including termination or dismissal or a temporary or permanent ban from campus. Further, with respect to individuals who are not affiliates of the University, carrying a weapon onto University Property in violation of this Policy will be considered an act of trespass. The individual will, without exception, be asked to leave the premises and may be subject to prosecution.
