EDUCATION

Degrees

PhD, Health Policy, University of the Sciences in Philadelphia

Master of Science in Health Education, Arcadia University

Bachelor of Arts, Psychology, Wake Forest University

Trainings and Certifications

Higher Education Resource Services (HERS) Leadership Institute Alumna. The HERS Leadership Institute is a transformational, leadership development program for higher education professionals, founded to fill leadership pipelines across the United States with dynamic leaders, each capable of ushering institutions into a more inclusive and equitable future. The HERS Leadership Institute is an inclusive program, with a focus on women and people who are gender diverse.

Penn State Academy for Holistic Reimagining of the Recruitment, Mentoring, and Retention of Racially Minoritized Faculty

Michigan State Coursera Specialization Certificate in Journalism

Qualitative Research and Analysis Workshops, University of North Carolina ResearchTalk

Certified Professional Tennis Coach, Professional Tennis Registry (PTR)

EXPERIENCE

Academic Leadership at Arcadia University (10 years of experience)

Dean, College of Health Science (as of 09/2024)

Professor of Public Health (as of 05/2024)

Interim Dean, College of Health Sciences (1 year before moving to Dean)

Associate Dean, College of Health Sciences (1 year before moving to Interim Dean)

Associate Professor, Department of Public Health, College of Health Sciences (4 years)

Chair, Department of Public Health, College of Health Sciences (4 years)

Assistant Dean of Research, College of Health Sciences (2 years before moving to Associate Dean)

MPH Director, Department of Public Health (3 years while Chair of Public Health)

Assistant Professor, Department of Public Health, College of Health Sciences (5 years)

Adjunct Instructor, Community and Global Public Health

Non-Academic Leadership (15 years of experience)

Director of Research, Research and Training Institute, Cancer Support Community National Headquarters

Postdoctoral Fellow and Senior Project Manager, Cancer Prevention and Control, Fox Chase Cancer Center

Project Manager, Department of Psychiatry, University of Pennsylvania

Prestige Health Coordinator, Grand View Hospital

Health Educator, Psychosocial and Behavioral Medicine Department, Fox Chase Cancer Center

Private business of Harris-Longacre Tennis and Harleysville Tennis Club, a federal non-profit community tennis club.

SCHOLARSHIP

Active Funding, Research and Policy Advising

National Alliance for Caregiving and Arcadia University (AU) project funded by Michael J. Fox Foundation. Parkinson's disease caregiving report, involving secondary national data analysis and qualitative interviews of caregivers (support for GAs and Stay Fit program for recruitment). \$90,000 total with Arcadia as subaward (\$41,000). Role: Arcadia PI and Project Co-PI.

National Alliance for Caregiving, Research Collaborative, Member.

Completed Research and Policy Advising

YourStory.Health, an Internet-based, crowdsourcing research study to understand stories or experiences of health from stakeholders (patients, caregivers and health professionals) to inform human-centered policies and systems of health.

Cancer Support Community, Cancer Experience Registry, National Advisory Council Member.

Community Research Collaboration, Peter Becker Community, Harleysville, PA. Perceptions of COVID-19 Risk, Cluster-Cohort Models, and Mental Health among Persons Living in Residential Living.

Advisor, Co-Chair, National Alliance for Caregiving Interprofessional Task Force on Developing the Next Cohort of Professionals Focused on Caregiving.

Advisor, Hart Research Group advising session "care ecosystem" (policy support for collective care needs – childcare, elder care and other family care needs to shape policy suggestions nationally) in U.S.

Member, National Alliance for Caregiving's meeting, A National Roundtable Discussion on Family Caregiver Roles in Diverse Clinical Trials Recruitment.

Advisor, Centers for Disease Control and Prevention and the National Association of Chronic Disease Directors Caregiver Stress Workgroup as part of the CDC's Cancer Prevention across the Lifespan Project. Invited expert on caregiving in the cancer context and policy as part of an onsite meeting in Decatur, GA.

Member, National Alliance for Caregiving Caregiver Pathways Task Force led by National Alliance for Caregiving and Leaders Engaged on Alzheimer's Disease Coalition, a multi-stakeholder initiative involving pharma, non-profit organizations, and academia.

Advisor and Contributor, National Alliance for Caregiving National Report, "Sandwich Generation Caregivers in U.S." A sandwich generation caregiver refers to a caregiver who is providing informal care to an adult relative/friend and also has children in the home.

Subject Expert/Round-Table Contributor, National Alliance for Caregiving and Leaders Engaged in Alzheimer's Disease (LEAD) National Summit on the Family Caregiver's Role in Patient-Focused Medical Product Development. Meeting at Biotechnology Innovation Organization, Washington, D.C.

Completed Funded Research and Programming

Pilot and Exploratory Projects in Palliative Care of Cancer Patients and Their Families. Project Title: The Systematic Integration of Caregivers in Palliative Cancer Care. Funding: \$144,000 from American Cancer Society; 2 years; Role: PI with subaward to Fox Chase Cancer Center.

HealthSpark Foundation, Innovation Lab Grant: Partnering for a Sustainable Model to Support Student Learning and Community Needs. Funding: \$26,000; 1 year; Role: Co-PI.

Arcadia University Innovation Grant: Center for Aging Wellness Exploration. Funding: \$8,500; 1 year; Role: PI.

Arcadia University Innovation Grant: Arcadia University's Sports Performance and Injury Prevention Institute. Funding: \$7,200. Role: Co-I.

Health Spark Build Back Better Design Team Member to build back from COVID-19 for the safety net services and address social and racial inequities. Funding: \$3,000; Role: Initiated and led representation for Arcadia University.

Analysis of a Short Caregiver Strain Scale in Cancer Care. Funding: \$4,750; Role: PI.

Secondary Data Analysis of Cancer Caregivers in the U.S. to Assess Work Strain among Caregivers and Experience of Caring for Hospitalized Patients. Funding: \$2,500 from the National Cancer Institute to Support Data Analysis. Role: PI.

Development and Validation of a Distress Screening Tool for Cancer Caregivers with Cancer Support Community. Funding: \$150,000 to Cancer Support Community from Amgen Oncology. Role: Co-PI (Director of Research).

Cancer Experience Registry (while Director, Research at CSC). Funding: Approximately \$100,000 per registry (11) to Cancer Support Community by various pharmaceutical companies. Role: Co-I (Director of Research).

Pilot Study to Explore Needs of Caregivers for Head and Neck Cancer Patients (Postdoctoral Research). Funding from Fox Chase Cancer Center.

Unfunded Research Submissions

NIH/NCI R01: Using Epic MyChart to Systematically Identify HNC Patients' Caregivers and Connect Them in Care: A Process Intervention; Role: PI.

Community Partnerships to Advance Science for Society (ComPASS) Program: Community-Led, Health Equity Structural Intervention Initiative. NIH ComPASS – Community Engaged Research; Role: Co-PI.

RWJF Systems for Action: Systems and Services Research to Build a Culture of Health. “Developing a framework to assess performance in improving health equity among integrated health initiatives through local government.” Role: PI.

RWJF Transforming Academia for Equity 2021 Call for Proposals. Role: Project Director for Arcadia University/College of Health Sciences Grant Submission – Adaptive Change and Transforming the Faculty Experience for Social Impact. Role: PI.

American Cancer Society TheoryLab. Informing the Development of Equity-Centered Health Policy and Systems Decisions through Cancer Patients' Stories. Role: Co-PI.

The Retirement Research Foundation; Submitted with budget of \$93,000. Using caregivers' experience to inform the development of “care and career” policies. Role: PI.

Caregiving Well: An Internet-based Initiative to Understand Caregiving and Inform Caregivers. Submitted to RWJF. Role: PI.

YourStory.Health: Toward A Population-Centered Health System. Submitted to RWJF. Role: PI.

American Cancer Society. The Systematic Integration of Caregivers in Palliative Cancer Care. Longacre, ML and Fox Chase Cancer Center as subcontract. Role: Co-I.

National Cancer Institute Small Business Innovation Research Program (SBIR): Phase I. Connecting Cancer Caregivers to Care Teams: Digital Platforms to Support Informal Cancer Caregiving with Carely, Inc. Role: Consultant.

External Grant Reviewer

Invited Reviewer, National Institutes of Health/National Cancer Institute special emphasis panel for PAR-16-317/318, “Intervening with Cancer Caregivers to Improve Patient Health Outcomes and Optimize Health Care Utilization,” R01s and R21s.

Ad Hoc Reviewer, Netherlands Organisation for Health Research and Development (ZonMw). Family caregiving grant.

Academic and Industry Presentations

Panelist; National Alliance for Caregiving and AARP Workshop on Caregiving in the US Dataset. Geriatric Society of America 2024 Annual Scientific Meeting; Seattle, WA; November 13 -16, 2024.

Invited Speaker; Wake Forest University Women in Science and Medicine Caregiving Day (2023). Two presentations and advising: “Care and Career: Caring for Self and Others” for Orthopedic Department faculty, staff, and students) and “Care and Career: Caring Systems” for School of Medicine (SOM) and University, and meeting with WIMS leadership committee on supporting caregivers at the institution. Awarded ‘Visiting Professor’ by SOM; December 6, 2023.

Panelist, American Psychosocial Oncology Society; Caregiving Special Interest Group presentation and panel invitation for National/International webinar; Kent, E. (University of North Carolina), Tan, K. (University of Pittsburgh), Longacre, M.L. (Arcadia), and Donovan, H. (University of Pittsburgh). Practical strategies for engaging, supporting, and integrating cancer caregivers in care. November 28, 2023.

Invited Speaker; University of Minnesota, Institute for Health Informatics, Public health informatics Program. Developing an integrated caregiver patient-portal system and NASSS framework. Invited presentation to on use of NASSs framework for the patient-caregiver portal system; April 11, 2023.

Invited Speaker and Lead; Care and career support: health systems to employers. National Coalition for Cancer Survivors National Webinar; Longacre, M.L., Sweeney, M., and Cygan, M. (2022). August 2, 2022.

Invited Inaugural Speaker; Integrating caregiving into care: processes and stakeholder considerations. University of Utah. Family Caregiving Collaborative: A College of Nursing led Interdisciplinary Collaborative. March 30, 2022.

Invited Speaker; University of Pennsylvania Cancer Network Nurse Navigator Meeting. Integrating patient and caregiver voice into cancer care. April 15, 2016.

Invited Speaker; University of Pennsylvania Cancer Network Administrator’s Meeting. Integrating patient and caregiver voice into cancer care. March 11, 2016.

Invited Speaker; Individual Presentation and Panel Discussion with Holland, J.C., Adelson, K., & McFarland, D for Genentech Regional Symposium (Informational Forum for Discussion of Regional Market Issues in Health Care). Individual Presentation: “Defining quality from the patient’s perspective across the oncology care continuum” and Panel Discussion: “Integrating the patient voice into cancer care.” New York, NY; November 12, 2015.

Conference Presentations

Longacre, M.L., Olson, J., Kueppers, G., Cothran, F. (2024). Characteristics and Experiences of Parkinson’s Disease Caregivers. Poster presentation at University of Pittsburgh National Rehabilitation Research & Training Center on Family Support Conference on Caregiving Research, “Building Bridges: Connecting Caregiving Research, Policy, and Practice.” September 25-27, 2024.

Longacre, M.L., Olson, J., Kueppers, G., Cothran, F. (2024). Caregiving-Related Strain and Caregiver Burden among Parkinson’s Disease Caregivers. Oral presentation at University of Pittsburgh National Rehabilitation Research & Training Center on Family Support Conference on Caregiving Research, “Building Bridges: Connecting Caregiving Research, Policy, and Practice.” September 25-27, 2024.

Longacre, M.L., & Roche, L. (2023). Telehealth: Engagement among patients and caregivers and potential career implications. Poster presentation to American Psychological Association conference, Work, Stress and Health; November 9, 2023.

Longacre, M.L., & Roche, L. (2023). Financial strain among male caregivers in oncology during COVID-19. Poster presentation to American Psychological Association conference, Work, Stress and Health; November 10, 2023.

Buurman, B. & Longacre, M.L. (2023). A quantitative analysis of colorectal cancer screening recommendation patterns by race & ethnicity. Poster presentation at the Annual SPEECH Regional Cancer Health Disparity Conference, Philadelphia PA; April 2023.

Fang, C.Y., Longacre, M.L., Kent, E.E., & Mollica, M.A. (2022). Caring for Caregivers: How to meet the needs of cancer caregivers. Panel discussion at Society for Behavioral Medicine Conference; April 7, 2022, Baltimore, MD.

- Longacre, M.L., Miller, M., & Fang, C.Y. (2021). The psychometric properties of caregiving-related financial, emotional, and physical strain questions in oncology context. Poster presentation at American Public Health Association Conference; Cancer Forum; October 22, 2021.
- Longacre, M.L., Cynthia, K., Chwistek, M., Collins, M., Odelberg, M., Siemon, M, & Fang, C.Y. (2021). Longacre M.L., Rhee J., Tan Y., Kim C., Ma G.X., Fang C.Y. (2014). Association of acculturation and health care access with cervical cancer screening among Korean American women. Poster presentation at APHA 142nd Meeting; November 2014.

Contribution to National Reports

The National Alliance for Caregiving (NAC) in partnership with Caring across Generations (2019) report, Burning the candle at both ends: Sandwich generation caregiving in the U.S. Academic advisory committee member, which included reviewing findings and providing commentary on the report (see p. 26). The report was released on November 26, 2019, and is available at: [://www.caregiving.org/wp-content/uploads/2020/05/NAC-CAG_SandwichCaregiving_Report_Digital-Nov-26-2019.pdf](http://www.caregiving.org/wp-content/uploads/2020/05/NAC-CAG_SandwichCaregiving_Report_Digital-Nov-26-2019.pdf).

Hunt, G., Longacre, M.L., Kent, E., Weber-Raley, L. (2016). Cancer caregiving in the U.S.: an intense, episodic, and challenging care experience. National Alliance for Caregiving Report in collaboration with Cancer Support Community and National Cancer Institute. Available online at: https://www.caregiving.org/wp-content/uploads/2020/05/CancerCaregivingReport_FINAL_June-17-2016.pdf. Released June, 2016. Underwent National Cancer Institute Review prior to publication as co-author, E. Kent, PhD, was an NCI Program Officer.

Longacre, M.L., Buzaglo, J.S., Golant, M., & House, L. (2015). Insight into patient access to care in cancer. CSC Publication released March 19, 2015. Available at: http://www.cancersupportcommunity.org/sites/default/files/uploads/our-research/presentations/access-to-care/insights_into_patient_care_march_2015.pdf. Non-peer review national report, Cancer Support Community publication. Responsible for data analysis and writing of the report.

COURSES TAUGHT

Graduate Level (8 years)

Capstone Research I; Capstone Research II; Health Care Systems and Public Health Policy; Research Methods; Social Determinants of Health; International Health Care Systems; Grant Writing

Undergraduate Level (6 years)

Health Policy, Law, and Bioethics; Policy in Health; Introduction to Public Health; Health Services and Long-Term Care

Research Advising for MPH Students

Capstone year-long projects by student project title; with most being IRB expedited or exempt.

2022-2023 Student Projects

- Policy analysis: Congruence between outcomes of children raised by same-sex parents and child adoption laws
- LGBT older adults' perspectives of future living arrangements and long-term care
- A quantitative analysis of colorectal cancer screening recommendation patterns by race & ethnicity
- Access and inclusion in mind-body and mindfulness interventions: A systematic literature review
- The role of community health workers in health promotion interventions serving the U.S. Latino population
- Nonpharmacological interventions for dementia and sample characteristics: A systematic literature review
- Sleep health among graduate and medical students: A systematic review

2021-2022 Student Projects

- How pharmacies in rural pharmacy deserts areas address social determinants of health (Secondary content analysis)
- Primary and secondary prevention interventions to reduce risk factors associated with colorectal cancer in high-risk groups: A systematic literature review
- Reviewing vaccination policy in the United States since the COVID-19 pandemic (Secondary policy analysis)
- The effectiveness of different oral health promotion interventions for pregnant women in the United States: A systematic literature review
- The impact of doula services on maternal health services: A systematic literature review
- Cultural barriers to cervical cancer screening among Chinese Americans (Secondary data analysis of NHANES)
- Content analysis of local news and the COVID-19 pandemic

2019-2020 Student Projects

- Emotional stress outcomes of caregivers of children diagnosed with a rare congenital or genetic disease requiring bone marrow transplant for treatment (secondary data analysis)
- Factors related to uptake of novel male contraception: A systematic literature review
- Online commerce adherence to e-cigarette policies at federal, state and organizational levels (primary content analysis)
- The relationship between social health and social media use among adults: A systematic literature review
- Uptake of the Human Papillomavirus vaccine among adult men aged 25 to 45 (secondary analysis)

- Non-urgent emergency department use by pediatric patients in the U.S.: A systematic literature review
- The association between financial burden and medication adherence and diabetic-related outcomes among diabetic patients taking insulin (secondary analysis)

2018-2019 Student Projects

- Perceived racial discrimination and self-management of type 2 diabetes (secondary data analysis)
- Improving cultural competency training among medical providers and public health professionals (primary data collection via survey)
- Are communities healthier after gentrifying? (secondary data analysis)
- Climate change: risk perception and policy support in the U.S. (secondary data analysis)
- Age, physical activity, and coping among cancer survivors (secondary data analysis)
- Physicians' perceptions on medical marijuana for chronic pain management (primary data collection via interviews)
- Health professionals' understanding of discriminatory trauma and solutions to reduce negative impacts on health (primary data collection via interviews)
- Understanding informal caregiver burden in the context of lupus caregiving experience (primary data collection via survey)
- Caregivers for persons with depression: a qualitative analysis (secondary data analysis)

2017-2018 Student Projects

- Health professionals' perceptions of acceptability and feasibility of distress screening practices in older adults (primary data collection via interviews)
- Media use, body image, and the role of media literacy in college undergraduate students (primary data collection via survey)
- Understanding the contribution of nurse staffing laws on the quality of patient outcomes in the United States (secondary analysis)
- What about the caregiver? Stress, health, and diet/physical activity among caregivers for persons with Alzheimer's disease and Parkinson's disease (primary data collection)
- Hurricanes Harvey and Irma: Understanding preparedness, response, and recovery through the stories of survivors (secondary content analysis)
- Knowledge and perceptions about the Philadelphia beverage tax among community residents and store owners: a qualitative study (primary data collection)
- Understanding food insecurity among American adults with a cancer diagnosis (secondary analysis)
- Evaluation of the supplemental nutrition branch of the Khayelisha Care Project in South Africa (program evaluation plan)

2016-2017 Student Projects

- Understanding resource and support needs among young adults who have had a sibling with childhood cancer (primary data collection)
- Nutritional therapy for children with ADHD: Parent perceptions and barriers to implementation (primary data collection)
- Parent experiences with Congenital Cytomegalovirus: implications for public health action (content analysis)
- The missing link: managing Zika virus using tertiary prevention policies (policy analysis)
- Comparative policy analysis to inform U.S. policies to improve infant health outcomes (policy analysis)
- Diet and motivation for healthy eating among cancer survivors and their adolescent children (secondary analysis)
- Exploration of young adults' sources of sexual health information

UNIVERSITY SERVICE

University

Elected Faculty Senator, College of Health Sciences

Faculty Senator, Work and Welfare Committee

Faculty Senate Task Force, Arcadia University Student Experience

External Member Faculty Search Committee for Visiting Professor in Health Care Administration

College of Health Sciences

Dean; Associate Dean; Assistant Dean of Research

Development and Leadership of GRANT (Growing Research and Networking Together) Group: A multi-disciplinary initiative to enhance research support and collaboration across departments in the College of Health Sciences.

Developed and presented a proposal for Arcadia University/College of Health Sciences, Research & Training Institute, to empower faculty scholarship and collaboration and student-engagement in research.

Bucks-Mont Collaborative; December 2018 – ongoing. Initiated membership for College of Health Sciences via GRANT group and attending monthly meetings to build research/grant-related collaboration and community connections.

Department of Public Health

Department Chair and MPH Director; CEPH Accreditation Lead and Contribution; Curriculum Planning Lead and Contribution; MPH Admissions Lead and Contribution; Graduate/MPH Recruitment Lead and Contribution; Faculty Search Lead (4).

EXTERNAL ENGAGEMENT AND SERVICE

Community Presentations and Involvement

Board Member, Peter Becker Continuing Care Community, January 2022 – ongoing.

Virtual Covid-19 Education Group, “Participation in a social cluster program at Peter Becker Community,” April 2021.

Bucks-Mont Collaborative monthly meeting; November 12, 2019: Presentation on Arcadia University Faculty and Student Research (College of Health Sciences/GRANT group).

Community Group Education Presentation, “Prioritizing health: A systems and public health policy perspective.” Indivisible Hope, 2018.

Young Women Rising: I AM THAT GIRL conference for Souderton Area High School (Montgomery County) female students to understand and explore careers. Presentation: “A career in public health and cancer research.” November 2017.

Young Women’s Symposium, Souderton Area High School. Presentation: “From Court to Career – Lessons Learned as a Student-Athlete.” November 2015.

Professional Memberships and Certifications

Geriatric Society of America

Professional Tennis Registry

AWARDS

Michael L. Berger Faculty Scholars and Artists Prize for pioneering scholarly or artistic work, Arcadia University

Souderton Area High School Athletics Wall of Fame (Tennis and Lacrosse)

Member, Atlantic Coast Conference 50th Anniversary Women's Tennis Team

Full Scholarship for Tennis, Wake Forest University, Division I Athletics

Wake Forest University Tennis Team / NCAA Team (4 years), Singles (1 year), and Doubles (1 year) Championships

Wake Forest University Tennis Team / All-ACC Member (4 years)

Souderton High School All American Honors in Lacrosse (3 years) and Tennis (3 years)
