

Cecil College and Arcadia University

Dual Admissions and Core-to-Core Transfer Agreements

Dual Admissions:

1. Complete a "Dual Admissions Intent" form at the time of admission to Cecil, or no later than when they have completed 45 transferable credits.
2. Graduate from Cecil with an approved Associate degree with a minimum cumulative GPA of 2.5 (Please see Appendix A for a list of degree/majors included in this Agreement).
3. Enroll at Arcadia within one year of Cecil graduation.
4. Do not attend another institution of higher education between the time they graduate from Cecil and enroll at Arcadia.
5. Complete Arcadia's admissions application the semester before they plan to matriculate to Arcadia and satisfy all other regular Arcadia admissions requirements.

*There is no obligation on the part of a dual admissions Cecil student if the student decides not to transfer to Arcadia. Once a student has completed the Dual Admissions Intent form, they are strongly encouraged to meet with an Arcadia admissions representative and/or a Cecil academic advisor, counselor or program advisor to develop a course taking strategy to maximize course transferability.

Core-to-Core:

In addition, Arcadia agrees to accept the general education credits embedded in Cecil's Associate degrees noted in Appendix A as meeting all of its undergraduate general education requirements, **except** for the Global Connections Experience and Reflections requirements as well as the senior capstone requirement. This Core-to-Core arrangement applies to all graduates of approved Cecil degrees and is not limited to students who participate in Dual Admissions under this Agreement.
