

ASHISH PARMAR

Ashish Parmar began his service on the Board of Trustees in 2021. Mr. Parmar has more than two decades of leadership and technology experience in luxury retail, logistics, and consumer electronics. In this role, he leads the technology strategy, information security and technology operations globally. Mr. Parmar's experience at Tapestry includes supporting the company's digital transformation and multi-year growth agenda. He has a breadth of international experience in both technology and supply chain. In 2021, Parmar was recognized as Forbes 50 Innovative Technology Leaders in 2021, and named a finalist in the Global category of the NewYorkCIO of the Year® ORBIE® Awards. From 2021-2024, Parmar was a member of the Board of Directors of LL Flooring (Lumber Liquidators), one of North America's leading specialty retailers of hard-surface flooring, with over 400 stores. He served as director and country head of information technology with LF Logistics and is a graduate of Philips Electronics management development program for supply chain.

Mr. Parmar holds a Master of Science, Management from New Jersey Institute of Technology, and Bachelor of Science, Business Logistics from Pennsylvania State University, and achieved the NACD (National Association of Corporate Directors) Directorship Certification in 2022.
